Year 2 (18/19) Volume 1

Fáilte! Croeso!

Dear Celts,

the summer holiday is a thing of the past which means it's back to business for all of us.

So welcome back and an especially warm welcome to our seven first-year students, who have since braved their first classes.

This year's first Kakofonix presents you with the agenda for upcoming activities, calls to grace Asterix's fantastic committees with your equally fantastic ideas and some great pictures taken during a very successful introduction.

Have fun reading!

COMMITTEES: call for members

Idéfix Activities committee

Idéfix has been coordinating Asterix's activities for as long as we can remember and is looking for new and enthusiastic members to come and reinforce the team.

→ Do you enjoy thinking up fun activities and seeing them through?

→ Do you like working in an equally fun team?

→ Then do send an e-mail with your name and a short motivation to activiteiten.svasterix@gmail.com

Panoramix Celtic Camp committee

The brand new committee Panoramix is tasked with organising Asterix's very own Celtic Camp somewhere around Samhain.

Such a camp can't be brought to life without assistance, which is why Panoramix is looking for Celts who would like to make the camp the success it is meant to be.

→ Interested?

→ Then do send an e-mail with your own name, the committee's name (Panoramix) and a short motivation to bestuur.svasterix@gmail.com

Year 2 (18/19) Volume 1

Hippix Social Media committee

Hippix is now a little over a year old and manages Asterix's social media presence. Hippix shares photos of our mascot Asterix on Instagram and Celtic-related posts on facebook and Twitter.

This year Hippix will be focussing on the (renewed) website by, for instance, writing blogposts. Would you like to help out?

→ Then do send an e-mail with **your own name**, the **committee's name** (Hippix) and a **short motivation** to bestuur.svasterix@gmail.com

Kakofonix Newsletter committee

Kakofonix's editorial board has lost its chief editor after Maria's graduation and is now left with only one member. Setting up a newsletter on one's own is far from ideal and that is why Kakofonix is looking for new members to form an editorial board of at least two people.

- Would you like to write columns about your life/survival as a Celtic student?
- Or are you an expert at hunting down the latest news from the Celtic world?
- Are you creative and would you like to contribute to Kakofonix with new Celtoons or even with something entirely different?

→ Then do send an e-mail with **your name** and a **short motivation** to nieuwsbrief.svasterix@gmail.com
